border of the Anne Cloth

This project is worked over 2 threads on Zweigart 18 count Anne Cloth fabric using DMC pearl cotton. Repeat the corner square pattern in all four doily squares. This doily is worked using Cross stitch, Back stitch, Pulled Eyelet stitch, and Nun stitch. The Pulled Eyelet stitch used in the corner ornament is worked with the same color thread used for the ornament. The Back stitch for the wording is done with the same green used for the trees. The doily is finished with a Nun stitched edge and then fringed. Stitch on the side of the fabric where the woven borders are solid.
