

Music Tabletopper & Keyboard Runners
 chart addendum March 2010

For this design the musical scale was originally charted as
 do re me fa sol la ti do
 That sequence represents an ascending melodic minor scale.

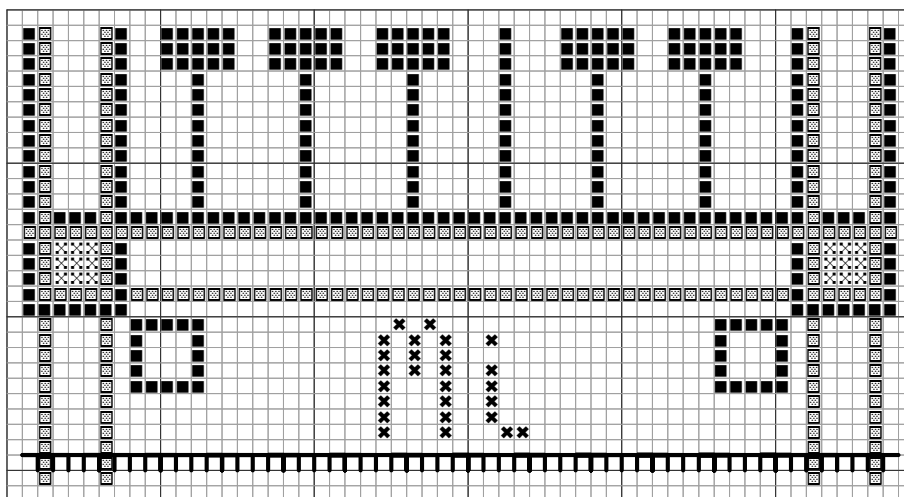

The charts shown here will give you the syllables for the more familiar
 major scale and the placement of **mi** on the tabletopper and runners.

do re mi fa sol la ti do

Left Corner Square of the tabletopper for a major scale

The Mi square of the runner for a major scale

When I created this set I did intend for the syllables to represent a major scale. I offer you my sincere apology for any confusion resulting from the original design. We now all know the syllables for an ascending melodic minor scale.
